**... an update on two dogs that we helped place in 2010  
and the new owners whose kindness changed their lives**

**“Paloma”** found a new home with Cheryl and Tyler last fall; she settled in beautifully, as though she always belonged with them. A sweet and loving young shorthair that received her second chance. She now enjoys our beautiful outdoors hiking and canoeing in northern Ontario.

**“Bo”** came to live with Alison and Barry last summer. They continue to show their incredible patience and understanding to help this young dog, who grew up in a puppy mill, overcome the many hardships he experienced from such a young age.

**We currently have dogs in need of adoption.**

**Please visit the club’s website for more information.**

**Let us know if you or someone you know would consider fostering.**

## Our Spring Field Dog Tests - by Maria Foster

Our club has been holding spring field dog tests in Ontario for many years now. We have priority dates with the Canadian Kennel Club for the Victoria Day weekend, giving participants and club members a chance to rest up after a long two days of fun and work. It also gives our judges a day of rest after many hours of walking with each dog. To our club members who came out to test their dogs (Nancibeth Koutstaal, Pat and Ray Iredale, Randy Weber), congratulations on your efforts to prove the working qualities of your shorthairs.

We would like to thank our club members (Mike Foster, Sherri Griswold, Ray Iredale and Tammy Parris) who came out and helped make this year's spring tests another success. To our gunners and judges, many thanks for giving up another weekend of your time so that we can continue to prove the natural abilities of our pointing breeds.

To our club's brand new apprentice judge, Tammy Parris, thanks for all those hours of walking ... we won't forget ... Young judges are hard to come by !!

**We look forward to seeing more of our club members at our FD tests on May 19 & 20, 2012**

## Ontario Fun Day

June wouldn't be the same without our yearly BBQ at Barbara Taws', it gives us all a chance to get together with old friends and meet new club members. The kids, dogs and puppies have a great time playing and running around the large property.

This year was no different, although mother nature gave us an unusually cooler day ...
