Best in Futurity, BPIS, BPISS Am Can CH Legacyk Hotwired Analyze This, MH "Dawson"

Dawson started off his career by finishing his Canadian Championship with a Best Puppy in Show at 7 months of age. He then went to the American Nationals where he placed 2nd in his 6-9 month Regular class and then went on to win BEST IN FUTURITY !! Then in pursuit of his American Championship Dawson finished in fine style with 4 majors. He finished his Am Championship at 10 months of age with limited showing !!

After finishing all his show titles, Dawson joined Shane Baxter in the summer of 2010 for some field work. In just a 5 month span Dawson went from seeing his first bird to finishing his Master Hunter title in 5 straight legs. Dawson finished his SH going 5 for 5 and then went onto Master finishing 5 for 5. Dawson did all of this by the age of 2 !!! He is very biddable, points with fine style and intensity, natural backer and retrieves to hand.

None of this would have been possible without the Love, Guidance and expertise of Shane Baxter !

**This boy has it all - Beauty - Brains & Working Ability
Watch for Dawson in the spring of 2011 in pursuit of his DC !**
