Am Can Hung Lux World Jr Ch Malomkozi Delceg "Delceg"

Monday, October 3rd - Peacefully, in his 11th year, while sleeping by my bed. Although Delceg didn't come to us until he was almost 7, he quickly became an integral part of the family. His goofy smile, the incredible hugs, snoring in your ear when he shared the pillow, his whole body wag when he brought you a toy. I think I'm still in shock.

He excelled as a show dog, completing championships everywhere he went and Best In Shows in his native Europe as a youngster. In the litter box, he proved just as powerful. His gorgeous, multiple group-winning daughter in France, Dutch - Belgian - Luxembourg - German VDH - Swedish - International Beauty + Champion International Show Champion France Champion working "Championne d'Automne of field-trials" Malomkozi Sjelsa, was only one example of several. I'm comforted by the fact that I have some of his daughters, sons and grandget here with me.

Many will count the above as his legacy but for me he will always be the goofy guy I fell in love with at the airport. He could never have produced another puppy or won at another show and he would still have become my bed hog. He will be very dearly missed.
